SHORT DESCRIPTION

OX-ON Cut Advanced 9900 is the class's thinnest cut-resistant cut C glove. Made of the highest quality and with extra reinforcement between the index finger and the thumb.

The glove is knitted in nylon and elastane, ensuring flexibility and unique breathability. Thanks to the special nitrile foam coating on the palm and fingers, the glove sits as if it were cast on your hand. Specially designed for those who work with sharp objects, such as glaziers, welders, mechanics or those who work in industry or assembly.

OX-ON Cut Advanced 9900 is OekoTex certified. In addition, it is Sanitized treated to make it feel fresher for longer and protect you from germs and perspiration odor.
